Curious and adaptive filmmaker skilled in video production, video editing and screenwriting. Seeking roles that benefit from my interpersonal skills, passion for film, and my commitment to growth.

EXPERIENCE

Volunteer - Museum of Reclaimed Urban Space - 13th Annual Film Festival August 2025 – Sept 2025

- Preparation for festival (design posters and flyers, researched films and scheduled showings)
- Day of festival (manned information and merchandise table, helped with set up and breakdown)

Volunteer - Rooftop Films August 2025

- Assisted with set up and breakdown (chairs, projector and screen)
- Manned information table (assisted guests, supervised merchandise sales, signed up new volunteers)

Freelance Editor - Survivor Mass Ave (reality web-series) June 2024 - June 2025

- Utilized Premiere Pro, Photoshop and Davinci to edit 9 hours of footage into a series of episodes
- Used CapCut to create short form content for marketing

Social Media Director - Boston University Fencing Team Sept 2021 – August 2024

- Crafted mass emails, Facebook and Instagram posts keeping members informed on club activities
- Shot, edited and designed content for club social media using Canva and Photoshop

Administrative Assistant - Boston University School of Theology Library Sept 2021 – August 2024

- Managed large scale projects (digitization of 19 century documents, monthly book sale)
- Greeted and assisted patrons (locating material, research questions and library events)

EXTRA CURRICULAR

NYC Short Film Club

- On-set work (camera operating, script supervising, grip, prop master)
- Pre-production work (location scouting, screenwriter/story editing, production design)

Prodigy Games/PG Live (reality web-series)

- Created a structure for each season (story editing, production design, challenge and game design)
- Utilized Google Drive to organize footage and Premiere Pro and After Effects to edit into episodes
